Getting Ready for Interviews

Following Up When Employers Don't Call

VIDEO & TEXT LEARNING. Dozens of videos of employers, job seekers and experts with advice on key job search strategies.

PERSONALITY ASSESSMENTS. Quickly identify what occupations, work environments & co-workers fit best for you.

LARGEST US JOB BOARD. Millions of jobs—searchable by location, pay, etc. with automated emails alerts of new postings.

GET IT DONE ACTIVITIES. Do your job search as you learn – e.g. resume, elevator pitch & answering hard interview questions.

GUIDED RESUME BUILDER. Learn the latest, save hours formatting & grab an employer's attention quickly.

INTERVIEW TOOL. Practice with an interactive video of an employer asking questions and recording your answers.

SMART PHONE & TABLET ENABLED. Learn wherever you are - in a coffee shop, at home or even in line at the grocery.

JOB SEARCH GOALS TOOL. Pick goals - from a great resume to cleaning up your Facebook page to building a cover letter.

DOES IT WORK?

"[NextJob's] online training software is a great resource for building your resume, marketing yourself, and preparing for an interview."

- Rich

Job Search Preparedness Gain **32%**

*Avg survey score of over 10,000 job seekers

"[V]aluable learning tools non-stop. From a cover letter, to building an exceptional resume, preparing for job interviews and beyond."

- Andrea
