ABOUT THE TAMPA BAY ECONOMIC PROSPERITY FOUNDATION

FORMED IN 2018, THE MISSION OF THE TAMPA BAY ECONOMIC PROSPERITY FOUNDATION (THE FOUNDATION) IS TO CONDUCT RESEARCH AND EDUCATE OUR COMMUNITY ABOUT ISSUES THAT AFFECT JOB CREATION AND ECONOMIC OPPORTUNITY IN TAMPA BAY.

The Foundation is a 501(c)(3) affiliate organization of the Tampa Bay Economic Development Council (Tampa Bay EDC), whose mission is to attract high wage jobs and capital investment to Tampa and Hillsborough County. In its current Strategic Action Plan, Opportunity Tampa Bay II, the Tampa Bay EDC identified Placemaking as one of its top three goals for driving economic growth in the region, along with Business Development and Talent Attraction and Development. The Tampa Bay EDC defines Placemaking as an activity centered on driving catalytic projects that will enhance Hillsborough County's competitiveness as a destination for business and talent, and one that will foster and strengthen vibrant neighborhoods and districts where people will want to live and work.

Since the Tampa Bay EDC's primary focus is to attract high-wage, high-skill jobs and capital investment, the organization's leadership determined that another initiative was needed to address inequities that existed in low income, economically distressed communities in Tampa and Hillsborough County. The Foundation was created for that purpose.
